

❀❀ LACEY WRAP CROCHET TOP PATTERN ❀❀

Difficulty Level: Intermediate to Advanced

Crochet Hook 4.5 mm

- I like to use this hook because it leaves less gaps between the double crochets. A 5 mm would also work if you want a more loose look.

Yarn: Medium weight 4 cotton yarn

- I used 2 skeins of “I Love This Cotton” yarn for the short sleeves, and 4 skeins for the long sleeves.

Other Supplies needed: tapestry needle, scissors

STITCH GLOSSARY	
CH	Chain
SS	Slip Stitch
SC	Single Crochet
HDC	Half Double Crochet
DC	Double Crochet
TRC	Treble Crochet
DC2TOG	Double Crochet 2 Together (yarn over, go into space, pull up a loop, yarn over pull 2 loops, yarn over, go into space, pull up a loop, yarn over pull 2 loops, yarn over pull all 3 loops.)
DC3TOG	Double Crochet 3 Together (yarn over, go into space, pull up a loop, yarn over pull 2 loops, yarn over, go into space, pull up a loop, yarn over pull 2 loops, yarn over, go into space, pull up a loop, yarn over pull 2 loops, yarn over pull all 4 loops)
TRC2TOG	Treble Crochet 2 Together (Yarn over 2 times, go into space, pull up a loop, yarn over pull 2 loops,yarn over pull 2 loops. Yarn over 2 times, go into the same space, pull up a loop, yarn over pull 2 loops, yarn over pull 2 loops, yarn over pull all 3 loops.)
FPDC	Front Post Double Crochet (yarn over, insert hook behind stitch, pull up a loop, yarn over pull 2 loops, yarn over pull 2 loops)
FPDC2TOG	Front Post Double Crochet 2 Together (yarn over, insert hook behind 1st cluster, pull up a loop, yarn over pull 2 loops, yarn over, insert hook behind second cluster, pull up a loop, yarn over pull 2 loops, yarn over pull all 3 loops)
PICOT	Picot stitch CH 3, insert hook into the base of the chain, yarn over and pull all loops on your hook.

PART 1: BACK PANEL

*Note: rounds 1-5 were inspired by the “Celestial Sun Square” by *Crochet Tutorials* on Youtube. Feel free to check out this video for a visual explanation of some of these new stitches!

ROUND 1

Make a magic ring. CH 3, 11 DC into the ring. Close ring. SS into CH3 to join.

(12 DC)

ROUND 2

Chain 4. Insert TRC into the same stitch. Ch 3. *TRC2TOG into next stitch, ch 3* repeat around. SS to join into first TRC.

(12 TRC2TOG and 12 Ch 3 SP)

ROUND 3

SS into CH3 space. CH 3, DC2TOG into the same space, chain 2, DC3TOG into the same space, ch4. *DC3TOG in next CH space, CH 2, DC3TOG in same space, CH 4* repeat around. SS into top of DC2TOG to connect.

(24 DC3TOG)

ROUND 4

Ch 3. FPDC2TOG (always around both dc3tog stitches), Ch 4, FPDC2TOG (around next dc3tog stitches).

[CORNER]: Ch2, DC3TOG into CH4 space, CH 2, DC3TOG into space, CH 4, DC3TOG into space, CH2, DC3TOG into space, CH 2.

FPDC2TOG, CH4, FPDC2TOG, CH4, FPDC2TOG, [CORNER] repeat this until final corner is complete, FPDC2TOG, CH4, SS into FPDC2TOG to close.

ROUND 5

SS to CH4 SP, CH 3, 3 DC in same space, FPDC around FPDC2TOG, 2 DC in CH2 space, 2 DC in next CH2 space.

3 DC, CH2, 3 DC (corner). 2 DC in CH2 space, 2 DC in next CH2 space, FPDC around FPDC2TOG, 4 DC in CH4 space, FPDC around FPDC2TOG, 4 DC in CH4 space, FPDC around FPDC2TOG, 2 DC in CH2 space, 2 DC in next CH2 Space repeat until you finish the final corner.

2 DC in CH2 space, 2 DC in next CH2 space, FPDC around FPDC2TOG, 4 DC in CH4 space, FPDC around final FPDC2TOG. SS into CH3.

(100 DC)

TIP: This is the most wordy section! Essentially, place a DC for each chain and a FPDC around each FPDC2TOG!

ROUND 6

CH4, skip a stitch, *DC, CH1, skip a stitch* repeat around.

At Corners: 2 DC, CH3, 2 DC, CH1.

When all the way around, SS into CH3 of original CH4.

ROUND 7

CH3, DC into every stitch (or every stitch and space).

Corners: 2 DC, CH3, 2 DC.

SS into CH3 to close.

(132 DC)

ROUND 8

SS into the next 2 stitches.

CH4, TRC into the same stitch.

CH2, skip 2 stitches, TRC2TOG repeat around
(The TRC2TOG are placed into the same stitch).

At Corners: CH1, 2 TRC in gap, CH3, 2 TRC in gap, CH1,
skip 1 space, TRC2TOG.

SS into TRC (not CH3) to close row.

**ROUND 9**

CH3, 1 DC into every stitch around (2 DC into CH2 spaces,
1 DC into TC2TOG).

Approaching corner: 1 DC into CH1 space, 1 DC into each
TRC, 2 DC into corner space, CH3, 2 DC into corner
space, 1 DC in each TRC, 1 DC into CH1 space.

SS into CH3.

[164 DC]

**ROUND 10-?**

Repeat round 6 and 7 until the panel reaches from
shoulder to shoulder (I repeated this one time).

Be sure to end on a round 7 repeat (double crochets all the
way around).

- If this will make your panel too wide, you can also
repeat round 7 twice instead.

When complete, CH1, cut yarn and pull through to secure.

PART 2: FRONT PANELS

ROW 1

Make a slipknot, leaving about a 6-inch-long tail.
 CH 13. For small, CH 15 for medium, CH 17 for large, and so on.
 DC into 4th CH from the hook. DC across.
 (11 DC for small, 13 DC for medium, 15 DC for large)

ROW 2

CH4 (this counts as a DC + CH1), skip a stitch, DC, *CH1, skip a stitch, DC* repeat across
 (last DC will go into chain).

ROW 3

CH3, DC across (at the end of the row, insert 1 DC into the CH space and 1 DC into the 3rd CH of initial CH 4).

ROW 4

CH5 (this counts as a TRC + CH 1), skip a stitch, TRC, *CH1, skip a stitch, TRC* repeat across
 (last TRC will go into chain).

ROW 5

CH3, DC across (at the end of the row, insert 1 DC into the CH space and 1 DC into the 4th CH of initial CH 5).

ROW 6

Repeat round 2.

ROW 7

Repeat round 3.

ROW 8

CH3, insert DC in first space (increase), DC down the row.

ROW 9

CH3, DC down the row, 2 DC in last chain (increase).

ROW 10- ?

Repeat rows 8 & 9 until the panel is the same length as the back panel. Finish on straight edged side, CH1, cut yarn leaving 10 inch tail.
 Repeat all steps and make a second front panel.

SEWING PANELS TOGETHER

Arrange the panels overlapping the front panels on top of the back panel (see photo) The front side of the back panel should be faced up and touching the front panels (we will be sewing with the wrap top inside out).

Using the long tails from the original slipknots, sew the top of the front panels to the edges of top of the back panel (see red lines on top of image). Sew into the inside loops for a more seamless look.

Starting at the long tail at the end of the front panels, sew together the front and back panel up the side, leaving enough space at the top for the arm hole (see red lines on sides of image).

You can test your desired arm width by sliding the piece onto your body.

I left about 6.5 inches of space for my arms on each side.

When finished sewing, turn your piece inside out to better hide the sewing lines.

ADDING LENGTH (Optional step)

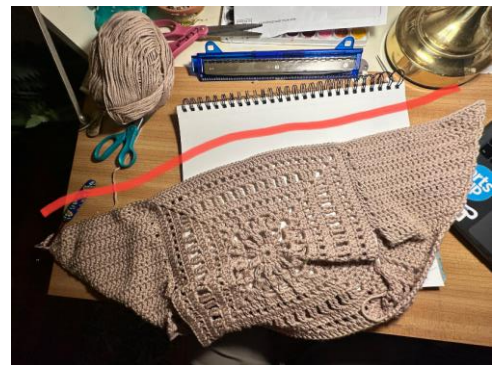

Try on the top to see how much length you wish to add to the bottom. If you only wish to add 1 inch, skip this section (We will later be adding 1 inch of border to the entire shirt).

ROW 1

Open up the shirt so that the bottom is one long panel. Insert hook into one end, add yarn.

CH1, 2 HDC into the CH3 (increase). HDC all the way across the bottom of the shirt. Place 2 HDC in the last CH3 (increase).

If your shirt does not cover the bottom of your breasts, repeat row 1 until it does.

ROW 2

CH4 (this counts as 1st DC + CH1). DC into the next stitch (this will act as an increase). *CH 1, skip a stitch, DC* repeat all the way across the bottom of the shirt.

Repeat row 1 and 2 if length in addition to the 1-inch border is needed.

Leave yarn on the hook for the next step.

BORDER / WRAP STRINGS

We will now be creating the border around the entire top (minus the sleeves). We will work in rounds around the shirt until we make it back to the starting position.

ROUND 1

If you skipped the previous section, add your yarn to the bottom corner of the shirt.

CH 1. HDC into every stitch around the entire shirt.

Place 2 HDC into the front panel corners.

SS into the first HDC when you make it around.

ROUND 2

CH3, DC into the same stitch. *CH2, skip 2 stitches, DC2TOG* repeat around entire shirt.

At corners of front panels, DC2TOG, CH3, DC2TOG into same corner stitch.

SS into first DC.

ROUND 3

CH1, SC into DC, PICOT.

SC 2x into the CH2 space. SC into DC2TOG. PICOT repeat all the way around.

At corners of front panels: SC into CH4 space. CH100, HDC into CH3 from hook, HDC all the way down chain. SC again into CH4 space. SS into first SC, CH1, cut yarn pull through.

Sleeves

Go through however many rounds below until you reach your desired sleeve length. If you wish to stop early and make your sleeves shorter, skip to round 14 to create border.

ROUND 1

Insert hook into the “armpit” of the arm hole and add yarn.

CH3, DC around arm hole. SS into 3rd CH of CH3.
(Count your DCs so you can ensure the other arm is equal later).

Tip: if possible, it is best to have a total DC count divisible by 2 and 3 (i placed 60 DCs)

ROUND 2

CH4, TRC into same stitch, *CH2, skip 2 stitches, TRC2TOG into same stitch* repeat around.
SS into TRC. (if this does not match up perfectly, it is okay if you add or take away a stitch).

ROUND 3

CH 3, DC into each stitch around
(2 DC into CH space, *DC into TRC2TOG, 2 DC into CH space* repeat around.) SS into CH 3.

ROUND 4

CH 4, *skip a stitch, DC, CH1* repeat around.
SS into 3rd CH of CH4.

ROUND 5

CH3, DC into each stitch around, SS into CH 3.

ROUND 6

CH3, DC 2 more into same stitch, CH1, *skip 3 stitches, place 3 DC into same stitch, CH1* repeat around.
SS into CH3.

ROUND 7

CH3, DC into each stitch around, SS into CH 3.

ROUND 8 CH5, *skip a stitch, TRC, CH1* repeat around. SS into 4th CH of CH5	
ROUND 9 CH3, *DC into CH space, FPDC around TRC* repeat around. SS into CH3.	
ROUND 10 CH5, *skip 2 stitches, DC, CH2* repeat around. SS into 3rd CH of CH5.	
ROUND 11 CH3, DC into each stitch around. (2 DC in each CH2 space, 1 DC in each DC) SS into CH3.	
ROUND 12 CH3, DC2TOG across next 2 spaces, *CH3, skip 1 space, DC3TOG across next 3 spaces* repeat around. SS into DC2TOG.	
ROUND 13 CH3, 3 DC into CH space, *FPDC into DC3TOG, 3 DC into CH space* repeat around. SS into CH3.	
If you wish for your sleeves to be longer, repeat rounds 2-13 until desired length.  	
ROUND 14 (sleeve border) CH 1, SC into the next 3 spaces. PICOT* repeat all the way around. SS into 1st SC. CH1 and cut off yarn.	
Final step: Sew in all ends with a tapestry needle.
