Separate Body and Sleeves

Overview: On the next round the body and sleeves are separated. Sleeve sts are placed on hold on waste yarn (using a tapestry needle, thread waste yarn through live sleeve sts). Keep BOR marker in place, all other markers are removed.

*Knit to marker. Remove marker. Using a tapestry needle threaded with waste yarn, transfer all sts to next marker onto a piece of scrap yarn to hold sts. CO 10, 10, 10 (14, 14, 18) [18, 22, 22] with backward loop method; repeat from *. Knit to end of round.

You now have the sleeve stitches on waste yarn and the body stitches on the needle.

Sleeve st count 45, 49, 51 (55, 60, 65) [73, 79, 83] per sleeve

Body st count 164, 184, 200 (228, 244, 264) [276, 312, 328]

Continue knitting the sweater body in the round until piece measures 13, 14, 15 (16, 17, 18) [19, 20, 21] inches from underarm CO.

Change to middle size needle and work k1, p1 ribbing for 2".

Change to smallest needle and knit 6 rounds. Loosely BO all sts.

Sleeves

Transfer the sts of one sleeve that is being held on waste yarn onto the largest size knitting needle. Using the 16" largest size needle and beginning at center of underarm cast-on sts, pick-up and knit 6, 6, 6 (8, 8, 10) [10, 12, 12] sts, then knit the sleeve sts, finally, pick-up and knit 6, 6, 6 (8, 8, 10) [10, 12, 12] more sts at the underarm cast-on sts. PM on right needle and begin knitting in the round. As you progress through the decreases the circumference of the sleeve will become too small for the stitches to slide easily around the circular needle without distortion. This is when you will switch to the DPN's. -- 57, 61, 63 (71, 76, 85) [93, 103, 107] sts

Work the decrease rounds as follows: K1, ssk, knit to last 3 sts, k2tog, k1.

Decrease every 10th row 9, 7, 3 (1, 0, 0) [0, 0, 0] times. --39, 47, 57 (69, 76, 85) [93, 103, 107] sts

Then Decrease every 8th row 1, 4, 9 (12, 6, 0) [0, 0, 0] times. --37, 39, 39 (45, 64, 85) [93, 103, 107] sts.

Then Decrease every 6th row 0, 0, 0 (0, 8, 16) [13, 6, 2] times. --37, 39, 39 (45, 48, 53) [67, 91, 103] sts.

Then Decrease every 4th row 0, 0, 0 (0, 0, 3) [8, 19, 25] times. --37, 39, 49 (45, 48, 47) [51, 51, 53] sts.

Continue knitting in the round until sleeve measures 14.5, 15, 15 (15.5, 15.5, 16) [16, 16.5, 16.5] inches from the underarm cast-on sts.

Change to middle needle size and work k1,p1 ribbing for 2 inches.

Change to smallest needle size and knit 6 rows. Loosely BO all sts.

Repeat this section for other sleeve.

Neck Band

Using the smallest size needle and beginning on the top, right edge of the left sleeve, pick-up and knit approximately 84, 90, 94 (100, 104, 110) [114, 122, 132] sts. Using the middle needle size in your right hand, work 1 row of k1, p1 ribbing. PM, continue using the middle size needle and work k1, p1 ribbing for 7 more rounds. Using the smallest needle size in your right hand, knit 6 rounds. Loosely BO all sts.
