ABOUT THE COOL AND CURLY SOCKS

The Cool and Curly socks are a vanilla sock design with a twist, a cuff with a curly edge. You have two different design options for this pattern, either plain stockinette or half-twisted rib.

The pattern comes with instructions on how to knit both cuff down and toe up.

VERSIONS

- VERSION 1: Stockinette Cuff Down (page 4)
- VERSION 2: Stockinette Toe Up (page 5)
- VERSION 3: Half Twisted Rib Cuff Down (page 6)
- VERSION 4: Half Twisted Rib Toe Up (page 7)

SIZES

1 (2) 3 (4)

MEASUREMENTS

Width - 17.5 (21) 23 (26) cm
6.8 (8.2) 9 (10.2) inches

SIZING

This pattern is available in 4 sizes which determine the width of the sock.

The length is fully customizable. If you can't measure the foot of the recipient, I have added a size guide on the next page to help you determine the length of your sock based on standard sizing.

SUGGESTED NEEDLES

2.25 mm circular needles 80 or 100 cm cable (magic loop).
or
2.25 mm circular needles 25 cm cable.
or
2.25 mm DPNs

GAUGE

In stockinette in the round using 2.25 mm needles
32 sts / 45 rows = 10 x 10 cm (4 x 4 inches)

In half twisted rib (*kbl, p*) in the round using 2.25 mm needles
33 sts / 45 rows = 10 x 10 cm (4 x 4 cm)

ATTENTION: Your swatch will look much smaller while you are knitting it.
The gauge measurements given above are for a stretched blocked swatch. Your swatch will look much smaller while you are knitting it.

YARN

60 gr of fingering weight sock yarn.

The amount of yarn will vary depending on the length of the foot.
The amount suggested above is based on the average used by testers.

Yarns I've used:

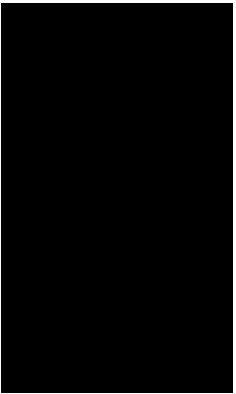

Fingering - Rosários4 Meia, Katia United Socks, Drops Fabel

HOW TO CHOOSE YOUR SIZE:

To figure out which size you should knit, measure the width of the foot as show in the illustration to the right.

My foot circumference is 20 cm, so I am a size 2.
I wear a size 35EU/4US, so the length of my sock will be approximately 21.75cm/8.5".

Later in the pattern you will be given instructions on how to use this measurement to determine how long to knit the foot.

ABBREVIATIONS

k - knit

p - purl

st(s) - stitch(es)

rnd(s) - round(s)

m - marker

pm - place marker

cn - cable needle

RS - right side

WS - wrong side

m1r - make one right

m1l - make one left

k2tog - knit 2 sts together

ssk - slip, slip, knit

kbl - knit through the back loop

ts - twin stitch

tsk (twin stitch knit) - with the right needle, lift the right leg of the stitch below your next stitch and place it onto the left needle. Knit the lifted stitch through the front loop, and slip it back onto the left needle.

tsp (twin stitch purl) - with your yarn in front, slip the next stitch purlwise onto the right needle. Lift the purl bump of the stitch below the slipped stitch with your left needle, and purl the lifted stitch. Slide the twin stitch to your left needle.

Triplet stitches are worked in the same way as the tsk and tsp stitches. However, you are working into a stitch that is already a twin stitch, so it will have three legs instead of two.

The twin and triplet stitches are used in the heel part of this pattern when you knit the shadow wrap short row heel. If you're having a hard time visualizing the stitches with written instructions, feel free to look up tutorials for "Shadow Wrap Short Row Heel". There are loads of tutorials on YouTube and, even though the technique feels a bit wordy, it's really easy to do!
