STITCHES

ABOUT THE WALK IN THE PARK SOCKS

The Walk In The Park socks are knit cuff down and have gingham colourwork all throughout the sock.

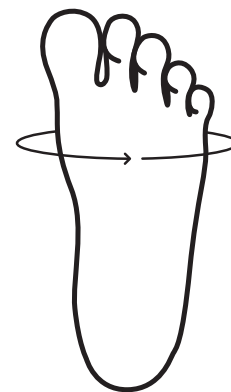

You are given a chart with the pattern repetition and you just have to knit the number of stitches that correspond to your size while continually working the colourwork pattern given in the chart.

The heel on this sock pattern is the Shadow Wrap Short Row Heel for which you get both written and video instructions.

SIZING

This pattern is available in 5 sizes which determine the width of your sock. The length is fully customizable and if you can't measure the foot of the recipient you can find a size guide on the next page to help you determine the length of your sock based on standard sizing.

To figure out which size you should knit, measure the width of the foot like show in the illustration bellow.

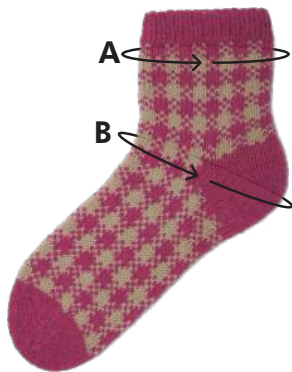

Find the size that best matches this measurement on the next page.

SIZES

size	1	2	3	4	5
A	7	7.8	8.6	9.4	10.2
A (stretched)	8.3	9	10.6	11.4	12.2
B	8.6	9.4	10.2	11	11.8
B (stretched)	10.6	11.4	12.2	12.9	13.7

size	1	2	3	4	5
A	18	20	22	24	26
A (stretched)	21	23	27	29	31
B	22	24	26	28	30
B (stretched)	27	29	31	33	35

WOMEN'S SIZES

sizes	US	4 / 6.5	7 / 9.5	10 / 12.5
	EU	34 / 37	37.5 / 40.5	41 / 44
foot circumference	in.	7	8	9
	cm	17.5	20.5	23
foot length	in.	8 / 9	9.25 / 10	10.25 / 11
	cm	20.5 / 23	23.5 / 25.5	26 / 28

MEN'S SIZES

sizes	US	6 / 8.5	9 / 11.5	12 / 14
	EU	38 / 41.5	41.5 / 45.4	46 / 48.5
foot circumference	in.	8	9	10
	cm	20.5	23	25.5
foot length	in.	9.25 / 10	10.25 / 11	11.25 / 12
	cm	23.5 / 25.5	26 / 28	28.5 / 30.5

FOR EXAMPLE:

My foot circumference is 20 cm so that means I have to cast on a size 2.

I wear a size 35 EU/4 US which means the length of my sock will be around 21.75 cm/8.5". Later in the pattern you'll be given instructions on how to use this measurement to determine for how long you knit the foot.

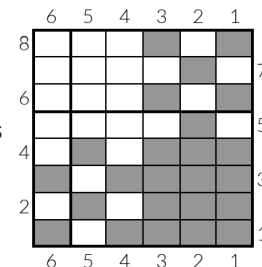

SUGGESTED NEEDLES

2.5 mm circular needles 80 or 100 cm cable (magic loop).
or
2.5 mm circular needles 25 cm cable.
or
2.5 mm DPNs

GAUGE

following the colourwork pattern in 2.5 mm needles

30 sts/40 rows = 10x10 cm

MATERIALS

Main color - 44 (48) 52 (56) 60 gr
Contrast color - 70 (76) 82 (88) 94 gr of Rosários4 Meia 50 gr/185 m

ABBREVIATIONS

k - knit
p - purl
st(s) - stitch(es)
rnd(s) - round(s)
RS - right side
WS - wrong side
k2tog - knit 2 sts together
ssk - slip, slip, knit
ts - twin stitch

tsk - with right needle lift the right leg of the stitch below the next stitch, place it on the left needle, knit the lifted stitch through the front loop and slip it to the left needle.
tsp - slip the next stitch purl wise to the right needle, lift the left leg of the stitch below the slipped stitch with your left needle and purl the lifted stitch. slide the twin stitch to your left needle.

Triplet stitches are worked the same as the tsk and tsp but you're working into a stitch that's already a twin stitch.

*for personal use only.

WALK IN THE PARK SOCKS

www.cool-stitches.com

CUFF

Cast on 54 (60) 66 (72) 78 sts.

Join your work in the round and knit 1x1 rib until your work measures 2.5 cm (aprox. 10 rows).

LEG

This is where you start doing the gingham colourwork. To achieve this gingham pattern, follow the chart.

The chart gives you a 6 st repetition that you just have to keep knitting over and over until you reach the number of stitches that matches your size.

	6	5	4	3	2	1
8						
7						
6						
5						
4						
3						
2						
1						
	6	5	4	3	2	1

I like to work colourwork on 25 cm circulars, this way I can make sure my work is a little bit stretched while knitting to account for the floats. At this point you can either keep working using the magic loop, DPNs or slide your sts onto the smaller circulars.

HEEL

It's time to knit the heel. This sock has a shadow wrap short row heel but feel free to do your preferred heel technique.

You're now at the beginning of the rnd. Cut the main color yarn. Place a marker 27 (30) 33 (36) 39 sts away from the beginning of the rnd. This is the halfway point of your rnd.

Knit until you reach the marker. You've now reached the back of your sock and this is where you're going to knit your heel. If you're working with short circulars, slide the back sts onto another needle to make it easier to work on that section alone.

1st row (RS) - k until 1 st before the end of the row, tsk and turn your work.

2nd row (WS) - p until 1 st before the end of the row, tsp and turn your work.

3rd row (RS) - k until 1 st before your last ts, tsk and turn your work.

4th row (WS) - p until 1 st before your last ts, tsp and turn your work.

repeat the 3rd and 4th row until you have 9 (10) 11 (12) 13 twin sts worked on each side and the same amount of stitches left as regular knit sts at the center of the row.

You're now on the RS of your work.

1st row (RS) - k until the first twin st, k the ts and triplet st the next ts.

2nd row (WS) - p until the first twin st, k the ts and triplet st the next ts.

3rd row (RS) - k until the triplet st, k the triplet st and triplet st the next ts.

4th row (WS) - p until the triplet st, p the triplet st and triplet st the next ts.

*for personal use only.

WALK IN THE PARK SOCKS

www.cool-stitches.com

Repeat the 3rd and 4th row until you reach the last triplet st on the RS of your work.

K the triplet st and continue knitting in the round in pattern.

If you're more of a visual learner, here's a tutorial on how to do a shadow wrap short row heel: <https://youtu.be/wUV3W2RI8sc>

FOOT

Keep working in pattern until you reach your desired length.

At this point you can try on your sock and once it reaches the tip of your pinky you're ready to work the toe decreases.

If these are a gift and the information you have is a standard shoe size refer back to the size guide to figure out how long the sock should be.

The length of this section should be 3 cm/1.25" shorter than your desired foot length (the toe section will give you the final desired length).

TOE DECREASES

At this point, as I knit using small circulars, I slide my stitches onto the long circulars to knit the toe decreases using the magic loop. Feel free to use your preferred needles.

Cut the main colour yarn.

WALK IN THE PARK SOCKS

www.cool-stitches.com

*for personal use only.

1st row - K one round.

2nd row - k1, ssk, k until 3 sts before the end of the needle, k2tog, k1. You've reached the end of the first needle. Now flip your work to work on the sts on your second needle. k1, ssk, k until 3 sts before the end of the needle, k2tog, k1.

Repeat the 1st and 2nd row until there's 22 (24) 26 (28) 30 on your needles.

Close the toes with the kitchener stitch.

There's only three things left to do:

- ☐ weaving in your ends;
- ☐ knitting the other sock;
- ☐ blocking your new socks.

I would love to see how your Walk In The Park Socks turned out!
