

Tip Top Tank FINE

This tank top is designed to be an easy summer knit, and is the perfect simple project for warmer weather. The deep V neck is flattering to wear without being too revealing, and the straps are wide enough to hide your bra straps (hello practical!). Throw it on with shorts or a breezy skirt on a hot day, pair it with jeans in Autumn, or even make up a fine woolly version to wear as a vest over shirts in the cooler months.

The pattern includes instructions to knit it flat on straight needles, as well as in the round on circulars (woohoo no seams!). And with clear and simple instructions, both options would be suitable for first-time garment knitters who have tackled the basics of knitting and purling, and are up for learning some fun new techniques! The body is knit from the bottom up, and the length is easily customizable with suggestions for a cute crop as well as a longer version, making it a fantastic wardrobe staple.

Well, what are you waiting for? Grab some cotton, linen, silk or wool yarn and whip up your own Tip Top Tank!

PATTERN - IN THE ROUND

Split Hem

Using smaller 60-100cm circular needles, cast on 89 (**97**, 105, **111**, 119, **125**, 133, **143**) sts. Do not join in the round yet.

R1 (RS): [k1, p1] repeat to last st, k1.

R2 (WS): [p1, k1] repeat to last st, p1.

Repeat these two rows until ribbing measures 3.50-4cm from cast on edge, or desired length.

Break yarn and leave on needle. Cast on a second hem piece as above, and work exactly the same.

Body

With larger circular needles and right side facing, work across most recent hem piece as follows:

Next (RS): k3, p1, kfb, k to last 4 sts, p1, k3, place marker. (1 st increased)

Making sure the right side is facing you, work across the other hem piece as above, which will connect the two hems together.

180 (196, 212, 224, 240, 252, 268, 288) total stitches.

From here you will now work in the round.

Next: [k3, p1, k to 4 sts BM, p1, k3, slip marker] work twice.

If you are feeling particularly lazy, feel free to just knit the body without the purl stitches. This will just omit the decorative side detail.

Repeat this round until work measures:
20 (**22**, 23, **24**, 25, **26**, 27, **29**) cm from cast on edge for cropped length,
Or 26 (**28**, 29, **30**, 31, **32**, 33, **35**) cm for longer length.
Or until desired length from below your underarm.

Upper Body

Working flat, we will now work four separate sections for the upper body, working decreases for the v neck and underarm at the same time.

I find it helpful to place a spare marker or safety pin in the fabric at the center front/center back (approx midway between the side seam markers) to help remember which edge is the v neck.

Left Front (as worn)

Place a central marker (CM) 45 (**49**, 53, **56**, 60, **63**, 67, **72**) stitches along from beginning of round

Setup 1 (RS): Sl1, k2, p1, k2tog, k to last 6 sts before CM, ssk, p1, k2, sl1, turn work. (2 sts decreased)

Setup 2 (WS): P3, k1, p to last 4 sts, k1, p3

Tip: When purling the first stitches on the WS row, make sure that the first stitch you work is the slipped stitch from the previous row, even though it looks funny.

It is ok to remove your central marker now.

R1 (RS): Sl1, k2, p1, k2tog, k to last 6 sts, ssk, p1, k2, sl1. (2 sts decreased)

R2 (WS): P3, k1, p to last 4 sts, k1, p3

Repeat these two rows 9 (**10**, 12, **16**, 18, **20**, 23, **24**) more times, until 23 (**25**, 25, **20**, 20, **19**, 17, **20**) stitches remain.

ALL SIZES EXCEPT XL:

Then work following rows, to decrease for v neck side only:

R1 (RS): Sl1, k2, p1, k to last 6 sts, ssk, p1, k2, sl1. (1 st decreased)

R2 (WS): P3, k1, p to last 4 sts, k1, p3

Repeat these two rows 7 (**8**, 8, **3**, 3, **1**, 0, **1**) more times, until 15 (**16**, 16, **16**, 16, **17**, 17, **18**) stitches remain for strap.

Left Strap

If you would like to knit your tank top with cute bow tie straps, see our free expansion page on Ravelry and begin them at this point!

Now work following rows without decreasing, until strap measures 20 (**20**, 21, **22**, 23, **24**, 26, **27**) cm from underarm, or until desired length for your body shape.

R1 (RS): Sl1, k2, p1, k to last 4 sts, p1, k2, sl1.

R2 (WS): P3, k1, p to last 4 sts, k1, p3

Break yarn and place these stitches on a holder or scrap yarn. We'll return to these later.

Right Front (as worn)

Slip next 45 (**49**, 53, **56**, 60, **63**, 67, **72**) stitches from left needle to right needle, and turn work so that the Wrong side is facing you. This means that the new tail of our yarn can be hidden more discreetly in the underarm, not in the middle of the v neck. Reattach yarn on the following row:

Setup 1 (WS): P3, k1, p to last 4 sts, k1, p3

R1 (RS): Sl1, k2, p1, k2tog, k to last 6 sts, ssk, p1, k2, sl1. (2 sts decreased)

R2 (WS): P3, k1, p to last 4 sts, k1, p3

Repeat these two rows 10 (**11**, 13, **17**, 19, **21**, 24, **25**) more times, until 23 (**25**, 25, **20**, 20, **19**, 17, **20**) stitches remain.

ALL SIZES EXCEPT XL:

Then work following rows, to decrease for v neck side only:

R1 (RS): Sl1, k2, p1, k2tog k to last 4 sts, p1, k2, sl1. (1 st decreased)

R2 (WS): P3, k1, p to last 4 sts, k1, p3

Repeat these two rows 7 (**8**, 8, **3**, 3, **1**, 0, **1**) more times, until 15 (**16**, 16, **16**, 16, **17**, 17, **18**) stitches remain for strap.

Right Strap

Work as for Left Strap.

Back

Work as for Left Front and Right Front, but don't break yarn on the final row.

Finishing

We will now join the shoulders together with a Three Needle Bind Off. Don't be scared off by this technique, it's almost exactly like the normal bind off, there are loads of videos out there, and it's super easy!

Your current stitches should be the Left Back (as worn). Grab the Left Front and place the stitches on a spare needle (can be the needles you used for the ribbing). Hold these two sets of stitches parallel with the right sides together, and the needle tips facing the same direction.

TIP: to make sure you have the right bits in the right place, the split of the ribbing should be in between these two sets of stitches, in line with the armhole.

Using your other main needle, knit into the first stitch on BOTH needles, and knit them together. Let's call this stitch k1^, and continue as follows:

Bind off: [K1^, bind off 1 st as usual] repeat to end.

Break yarn and repeat the Three Needle Bind Off to join the Right Front and Right Back stitches together.

Now just weave in all of your ends and give your tank top a gentle block!

PATTERN - SEAMED

Front Body

Using smaller needles, cast on 91 (**99**, 107, **113**, 121, **127**, 135, **145**) sts.

R1 (RS): k1, [k1, p1] repeat to last 2 sts, k2.

R2 (WS): p1, [p1, k1] repeat to last 2 sts, p2.

Repeat these two rows until ribbing measures 3.50-4cm from cast on edge, or desired length.

Change to larger needles.

Next (RS): k4, p1, kfb, k to last 5 sts, p1, k4. (1 st increased)

92 (**100**, 108, **114**, 122, **128**, 136, **146**) total stitches.

R1 (WS): [p4, k1, p to last 5 sts, k1, p4.

R2 (RS): [k4, p1, k to last 5 sts, p1, k4

Repeat these two rows until work measures:
20 (**22**, 23, **24**, 25, **26**, 27, **29**) cm from cast on edge for cropped length,
Or 26 (**28**, 29, **30**, 31, **32**, 33, **35**) cm for longer length.
Or until desired length from below your underarm

Having finished the body section, we will now decrease the two selvedge stitches on the sides that are used for seaming.

Next (WS): p2tog, p2, k1, p to last 5 sts, k1, p2, p2tog. (2 sts decreased)

90 (**98**, 106, **112**, 120, **126**, 134, **144**) total stitches.

Upper Body

Using the In The Round instructions from earlier in this pattern, follow instructions for Upper Body Front and Back as written, but bind off after each strap is finished instead of placing on a holder.

Back

Work another piece exactly the same as Front.

Finishing

With matching yarn and a darning needle, use mattress stitch to sew shoulder seams together.

Then, use mattress stitch to sew the side seams together, starting after the ribbing (or from cast on if you don't want a split hem) up to the beginning of the underarm decreases.

Now just weave in all of your ends, hiding them in the side seams if possible, and give your tank top a gentle block!
